

HETEROGENEOUS FLOORING

Jeoflor

Jeoflor Uni Comfort range has a 17dB sound rating, which is ideal for those applications where sound insulation is key to the facility. This flooring is suitable for medium to high traffic areas including hospitals, schools, commercial public area's. A mix of solid vibrant colours are available, with excellent indentation resistance and recovery because of a Homogeneous backing.

Jeoflor Uni Comfort is an antistatic acoustic foam backed vinyl floor covering available in 2 x 20 mtr. wide roll form and offering 17 dB sound insulation. **Jeoflor** Uni Comfort has a plain coloured design making it ideal for cut design work.
